TRANSFER GUIDE FOR OREGON STATE UNIVERSITY

Major Offered At:

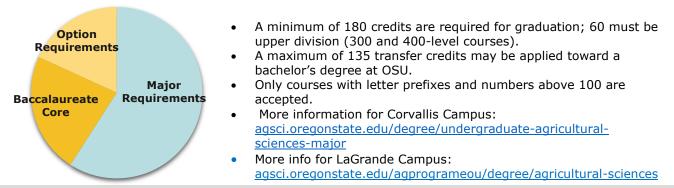

CORVALLIS ECAMPUS LA GRANDE

Klamath Community College

Agricultural Sciences

The Agricultural Sciences major gives you the freedom to design your own degree. As part of the degree program, students can choose from various agricultural-based credits and electives. You can go broad with exposure to all areas of agriculture, go deep with two or more emphasis areas — or do a combination of both. If you're interested in becoming a teacher, an Agricultural Sciences degree is an ideal first step.

Your Bachelor's Degree (BS) in Agricultural Sciences
