

# TRANSFER GUIDE FOR OREGON STATE UNIVERSITY

Major Offered At:

CORVALLIS

ECAMPUS

**Tillamook Bay  
Community College**

## Crop and Soil Science

Want to get your hands dirty while making a difference? Our students work on solving the most complex agricultural and natural resource problems faced in Oregon, our nation and across the globe.

Students who want to make a measurable difference in our communities are perfect candidates for a degree in either crop science or soil science. Graduates of our program are in demand across the United States.

Students must select from one option:

- Agronomy
- Plant Breeding and Genetics
- Soil Science (also available via Ecampus)

The Crop and Soil Science major in the OSU Ag Program at LaGrande will not be accepting new students effective January 1, 2022. Current students will be able to complete their major through a combination of in person, remote, and Ecampus courses through the OSU Ag Program.

## Your Bachelor's Degree (BS) in Crop and Soil Science

- A minimum of 180 credits are required for graduation; 60 must be upper division (300 and 400-level courses).
- A maximum of 135 transfer credits may be applied toward a bachelor's degree at OSU.
- Only courses with letter prefixes and numbers above 100 are accepted.
- More info for Corvallis Campus: <https://cropandsoil.oregonstate.edu/degree/crop-and-soil-science-bs-degree>

## Courses Required for Crop and Soil Science Major

| CSS Core Requirements<br>This list is not comprehensive. Contact an OSU advisor for more information. | Equivalent TBCC Course | OSU Course   | Notes  |
|---|------------------------|--------------|--|

## Important Notes & Resources

- See a [sample degree plan](#) by searching "Crop and Soil Science" in the OSU Catalog at [catalog.oregonstate.edu](https://catalog.oregonstate.edu). Or find a sample degree plan on the Crop and Soil Science Degree Fact Sheet [agsci.oregonstate.edu/degree-fact-sheet/crop-soil-science\\_](https://agsci.oregonstate.edu/degree-fact-sheet/crop-soil-science_)
- Crop and Soil Science offers 3 options which allow students to specialize. The options are [Agronomy](#), [Plant Breeding and Genetics](#), and [Soil Science](#). More details can be found by searching "Crop and Soil Science" in the OSU Catalog at [catalog.oregonstate.edu](https://catalog.oregonstate.edu)
- Other similar majors to explore: [Horticulture](#), [Botany](#), and [Biology](#). Check out all OSU programs at [catalog.oregonstate.edu](https://catalog.oregonstate.edu).
- 100 and 200 level and lower division Baccalaureate Core are priority courses to complete before transferring to OSU.
- For Crop and Soil Sciences students, the best time to transfer is fall term, particularly due to the Crop and Soil Science series courses. Talk with an OSU advisor about your specific timeline.

- It is important to speak with the Crop and Soil Science Advisor, [Stefan Seiter](#), early on, and often, to ensure correct course selection and sequencing for programs offered at the Corvallis campus and via Ecampus. Stefan can be reached at [stefan.seiter@oregonstate.edu](mailto:stefan.seiter@oregonstate.edu).

**Resources and OSU Information:**

- Students do not have to complete a transfer degree in order to transfer to OSU.
  - If you’ve completed the Oregon AAOT, all requirements of the Baccalaureate Core are complete except for Synthesis Courses and Writing Intensive Courses.
- Preparing to apply to OSU? See transfer student admissions info: [transfer.oregonstate.edu](http://transfer.oregonstate.edu)
- Want to take classes at both OSU and an Oregon community college? Check out the Degree Partnership Program: [partnerships.oregonstate.edu/students](http://partnerships.oregonstate.edu/students)
- Visit OSU for a campus tour and meet with an advisor; schedule your visit at [visitosu.oregonstate.edu/visit-campus](http://visitosu.oregonstate.edu/visit-campus).

## Advising Contacts

Academic advisors at your community college and OSU are available to answer your questions and assist you in creating a transfer plan. **See your community college advisor first and use this Transfer Guide to help you plan.** It is important to speak with your OSU academic advisor early on, and often, to ensure correct course selection and sequencing. To schedule a visit, go to Corvallis campus: [visitosu.oregonstate.edu/visit-campus](http://visitosu.oregonstate.edu/visit-campus).
