

Interested in global practices of food production?

Exploring World Agriculture

WINTER TERM
THURSDAYS
2:00-3:50

Academic Programs Office
147 Strand Agriculture Hall,
casstudy@oregonstate.edu,
541.737.2211

Winter term 2017

2 Credits:

AGRI 438 CRN 38504

This course will expose OSU students to important issues facing global agriculture, with emphasis on Costa Rica. In addition to the winter course, students may choose to travel with CAS Faculty to Costa Rica in June to gain first-hand experience and an additional 2 credits.
